

### Questions for reflection.

(not intended to be a sermon outline)

You are encouraged to use these as part of a study/devotional/reflection time through the coming week.

You are also encouraged to participate in the Explore Class after worship where we will use these as a discussion starter. Bring your questions as well for discussion.

1. What questions does today's message raise for you?
2. How has your faith been impacted or encouraged, or informed by others? How was that influence passed on to you?
3. Who or what did God use to help you come to faith? If you can point to a specific time when you came to accept Jesus as your Savior, where and how did that come about?
4. What story can you share about God going ahead of you to open a door to serve him?
5. What story can you share of God providing for you in a time of need, either financially, physically, emotionally, spiritually?
