

Questions for reflection: (not intended to be a sermon outline)

You are encouraged to use these as part of a study/devotional/reflection time through the coming week.

You are also encouraged to participate in the Explore Class after worship where we will use these as a discussion starter. Bring your questions as well for discussion.

1. What questions does today's message raise for you?
2. If you are a mom, what type of support do or did you have, or wish you have/had, in the role of Mother?
3. What or where do we at FRC do well in supporting others?
4. What or where do we not do well and could improve in supporting others?
5. What does it mean to be a "Covenant" people? Can you describe what that should look like in a church family that is doing it well?
6. If we are to be making disciples, what is involved in that process? How do you see that happening in lives? Education? Influence? Mentoring? Modeling? Other? How can this be happening or structured with an intentionality?
7. How can we talk about supporting one another in today's individualistic society? Will we sound helpful or intrusive or condescending? How are relationships involved?
8. How can a church (we) support without overstepping or being too invasive? Or too disengaged and not helping or protecting?
9. What does the church have to offer our community today that is needed? Where does God's Kingdom culture give wisdom to the current culture?
10. How can we let others know who we are and what we are doing here at FRC?

It's simple.

Take a bottle home with you today and use it as a reminder to pray for the Freeport Pregnancy Center and the families it serves.

Put your pocket change, currency, or checks in the bottle as an offering to help those families.

Bring the baby bottle back on the designated day.

The bottle and your offering will then be given to the Freeport Pregnancy Center to support families in our community.

You + Baby Bottle + Change = CHANGE!!!
Last year \$24,000 was raised for FPC by filling baby bottles from supporters like you!
